For athletes and individuals High School and older, training takes place in a semi-private format. Our semi-private training is individualized training in a small group environment. Clients have the option to pick and choose the day and time of their training sessions, allowing for a more flexible training schedule. Each semi-private client starts with a thorough private one-on-one assessment. This process involves us taking a close look at your injury history, training experience, sport of choice, and many more factors.
